SUMMARY

I am a quick-to-learn, responsible, and adaptable individual. I have experience in multiple industries, and have a passion for delivering outstanding service to my clients. I'm looking for an opportunity to add more value to your workforce, and deliver an exceptional experience with those working with me.

SKILLS

- Front-End Web Development - HTML5, CSS, Bootstrap, Javascript, JQuery
- Back-End Development - NodeJS
- Experience with git, git bash, Visual Studio Code
- Business writing, copywriting, and content creation
- WordPress back end experience
- Communication skills, ability to empathize with others, and deliver consistent service under pressure in tense or uncomfortable situations.
- Accustomed to working independently, or with minimal supervision.
- Time management, organization, and self-discipline.
- MS Office, Networking, Windows, Mac, Linux, Android and iOS experience.
- Strong problem solving and critical thinking skills, resourceful

EXPERIENCE

Current Role

Communications Technician - Comcast Corp.

Independently install and troubleshoot residential communication services. Manage own time, give supervisors updates on progress, and deliver fantastic customer service.

Freelance Copywriter/Content Creator - <https://andrewak.com>

Brainstorm, write, and edit web copy and content for clients. Write, edit, and publish content for parenting/fatherhood blog. Manage social media accounts and self-promote.

EDUCATION

University of Denver Coding Bootcamp - 2020

Some college at Arapahoe Community College - 2016 - 2018

Major in Computer Science - (Degree still in progress)

High School - F.D. Roosevelt HS 2004-2008

Past Roles

Personal Caregiver - Kindred-at-Home

Provide daily personal for the elderly, disabled, etc. Be extremely flexible, as responsibilities and shifts differ daily, as well as between clients and facilities. Work independently, while referring questions, updates, or problems to management.

“Caregiver of The Month” for August 2018.

Cook and Attendant - Sodexo - CenturyLink (Littleton, CO) and Graland Day School (Cherry Creek, CO)

Responsible for meeting needs of each individual employee, or classroom, that I served. Be a representative for the company among the school personnel.

Kitchen and Service Manager - Chipotle Mexican Grill

Complete administrative tasks, manage day to day operations for the restaurant, hire and train employees, be a leader among the team. I received multiple promotions while employed here.
